新月椅系列 / Q2302

新月椅的设计理念源于对月亮的独特审美与文化的传承。
新月，作为月亮的象征，以其优美而富有神秘感的形态，成为了设计的灵感来源。

新月椅的设计寓意着优雅与和谐。新月椅的形态犹如一弯新月悬挂在空中，其曲线优美、流畅自然，给人一种优雅而和谐的感觉。这种设计旨在为使用者带来一种宁静、舒适与放松的体验，仿佛置身于月夜之中，感受大自然的恩赐。

The design concept of the Crescent Chair originates from the unique aesthetic and cultural inheritance of the moon.The crescent moon, as a symbol of the moon, has become a source of inspiration for the design with its beautiful and mysterious shape.

The design of the crescent chair implies elegance and harmony. The shape of the crescent chair is like a crescent moon hanging in the air. Its curves are graceful, smooth and natural, giving people an elegant and harmonious feeling. This design aims to bring users a tranquil, comfortable and relaxing experience, as if they are in a moonlit night and feel the gifts of nature.

Wavy chair / Q2313

Wavy chair 的设计理念源于对自然形态的探索与模仿。设计师从海浪的波纹中汲取灵感，将这种优美的曲线形态融入到椅子设计中，创造出独特的 Wavy chair。

Wavy chair 的设计寓意着流动与生命力。海浪的波纹代表着流动与变化，这种动态的形态被巧妙地融入到椅子设计中。椅子的线条流畅、起伏有致，仿佛海浪在轻轻拍打着海岸，给人一种流动的感觉。这种设计旨在为使用者带来一种轻松、舒适与自然的体验，仿佛置身于大自然之中，感受生命力的涌动。

The design concept of Wavy chair originates from the exploration and imitation of natural forms. The designer drew inspiration from the ripples of the ocean waves and integrated this beautiful curved form into the chair design to create the unique Wavy chair.

The design of the Wavy chair implies flow and vitality. The ripples of the waves represent flow and change, and this dynamic form is cleverly integrated into the chair design. The lines of the chair are smooth and undulating, as if the waves are gently lapping at the coast, giving people a sense of flow. This design aims to bring users a relaxed, comfortable and natural experience, as if they are in nature and feel the surge of vitality.

小筲箕系列 / L2208

设计师以筲箕为灵感，将筲箕的形态和功能融入到椅子设计中，创造出独特的筲箕椅。

筲箕椅的设计寓意着传统与文化。筲箕作为一种传统的手工艺品，具有深厚的历史和文化底蕴。将这种传统的手工艺品融入到椅子设计中，旨在为使用者带来一种传统与文化的体验。这种设计不仅是对传统手工艺的传承与弘扬，更是对中华文化的尊重与传承。

Inspired by Shao Kei, the designer integrated the shape and function of Shao Kei into the chair design to create a unique Shao Kei chair.

The design of the Shau Kei chair implies tradition and culture. As a traditional handicraft, Shao Kei has profound historical and cultural heritage. Integrating this traditional handicraft into the chair design aims to bring a traditional and cultural experience to the users. This kind of design is not only the inheritance and promotion of traditional handicrafts, but also the respect and inheritance of Chinese culture.

弦月系列 / L2207

月亮作为天空中最神秘的天体之一，其形态独特、神秘莫测。将月亮的形态融入到椅子设计中，旨在为使用者带来一种神秘与魅力的体验。这种设计旨在唤起人们对未知世界的好奇心和探索欲望，激发人们的想象力和创造力。

弦月椅的设计注重人体工程学，它的形状和尺寸都是根据人体曲线和习惯进行设计的。椅子的座垫采用高弹性海绵，具有良好的支撑性和舒适度，让人坐上去感觉轻松舒适。椅子的靠背采用优质皮革，柔软且透气，长时间坐着也不会感到闷热和不舒适。让人们在享受休闲时光的同时，也能感受到品质和美学带来的愉悦。

As one of the most mysterious celestial bodies in the sky, the moon has a unique and mysterious shape. Integrating the shape of the moon into the chair design aims to bring an experience of mystery and charm to users. This design aims to arouse people's curiosity and desire to explore the unknown world, and stimulate people's imagination and creativity.

The design of the crescent moon chair pays attention to ergonomics, and its shape and size are designed according to the curves and habits of the human body. The seat cushion of the chair is made of highly elastic sponge, which has good support and comfort, making people feel relaxed and comfortable when sitting on it. The backrest of the chair is made of high-quality leather, which is soft and breathable, so you won't feel stuffy or uncomfortable even if you sit for a long time. Let people enjoy their leisure time while also feeling the pleasure brought by quality and aesthetics.

Waist design

弦月的形状柔和优雅，源自大自然的韵律之美。弦月椅的设计概念也来源于此，希望透过月牙的线条，营造出温馨舒适的坐姿体验，就像被月光轻柔地拥抱。

The shape of the crescent moon is soft and elegant, derived from the rhythmic beauty of nature. The design concept of the crescent moon chair also comes from this. It is hoped that through the lines of the crescent moon, it can create a warm and comfortable sitting experience, like being gently embraced by the moonlight.

Retty chair / L2307

行走在T台之上，舞动于舞台中央，舞者，始终演绎着高雅艺术的风采。脚尖在舞台上跃动，跳跃的肌理轻触感觉神经，跨越舞台，方寸之间疏密有序，或急或慢，指尖演奏艺术的旋律。

临点设计师原创打造，融入舞者意境，它的座面呈现出独特的三维曲面效果，如羽翼般轻盈流畅，悬浮灵动。椅脚由上至下削去繁重，逐渐变细，犹如芭蕾舞演员的曼妙双足，承重绰绰有余，又不乏优美形姿。多姿变幻包罗万象，为你打造餐厅、咖啡吧、户外、办公等多场景艺术空间。

Walking on the T stage and dancing in the center of the stage, dancers always perform the elegant style of art. The toes jump on the stage, and the jumping texture lightly touches the sensory nerves. Crossing the stage, the square inches are dense and orderly, fast or slow, and the fingertips play the melody of art.

Originally created by Lindian designers and integrated into the artistic conception of dancers, its seat surface presents a unique three-dimensional curved surface effect, as light and smooth as wings, suspended and agile. The chair legs are cut away from the heavy weight from top to bottom and gradually become thinner, just like the graceful feet of a ballerina. They are more than enough to bear weight and still have a graceful appearance. It is diverse and all-encompassing, creating art spaces for you in restaurants, coffee bars, outdoors, offices and other scenes.

大堂、等候区

（一次、二次、三次候诊）

Waiting area (first, second and third waiting areas)

侯诊区为病人入院求诊时提供等候和休息服务，一般设置在大厅处或收费、挂号附近。作为患者入院候诊时的第一接触，不仅为患者提供等侯和休息，还是医院的“门面担当”，是医院综合实力的象征。

The waiting area provides waiting and resting services for patients when they are admitted to the hospital for treatment. It is usually set up in the lobby or near the payment and registration area. As the first contact of patients when they are admitted to the hospital, it not only provides waiting and resting services for patients, but also serves as the "face" of the hospital and a symbol of the comprehensive strength of the hospital.

来到医疗机构的人会经历从紧张到放松的一系列情绪变化。接待区所营造的第一印象能让患者、其家人和朋友有直观的体验感受。

People who come to a medical facility experience a range of mood changes from nervousness to relaxation. The first impression created by the reception area is an intuitive experience for patients, their families and friends.

医院人流量大，家具使用频繁，除了对家具的耐用程度有了较高的要求外，设计分区也要合理。"去繁从简"的理念打造产品造型，整体可自由组合设计，使用者感到和谐舒适，得到较好的放松和休息、更快地康复。

Hospitals have a large flow of people and furniture is frequently used. In addition to high requirements for the durability of furniture, the design and zoning must also be reasonable. The concept of "simplifying the complex" is used to create product shapes, and the overall design can be freely combined, so that users feel harmonious and comfortable, get better relaxation and rest, and recover faster.

全科诊疗椅

General Practice Chair

医疗活动不再是单纯的看病，而是渗透着人文医学、生理心理的全方位治疗。从国际化院感风裕着眼，在室内延续建筑的风格与元素，并适当加入设计理念的文化符号，营造一个协调统一、亲近和谐又不失人文关怀的现代化医疗空间。

Medical activities are no longer just seeing a doctor, but are permeated with all-round treatment of humanistic medicine, physiology and psychology. Focusing on the international hospital style, the architectural style and elements are continued indoors, and the cultural symbols of the design concept are added appropriately to create a modern medical space that is coordinated, unified, close and harmonious, and does not lose humanistic care.

输液大厅是医就重要的服务窗口，患者多流动大病种多。此外，患者在输液过程中由于等候时间较长，易产生烦燥情绪，大厅洁净、舒适、温馨的环境和布局备受关注。

The infusion hall is an important service window for medical treatment. There are many patients with many diseases. In addition, patients are prone to irritability due to the long waiting time during the infusion process. The clean, comfortable and warm environment and layout of the hall have attracted much attention.

VIP 病房接待及陪护

VIP ward reception and care

侯诊区为病人入院求诊时提供等候和休息服务，一般设置在大厅处或收费、挂号附近。作为患者入院候诊时的第一接触，不仅为患者提供等侯和休息，还是医院的“门面担当”，是医院综合实力的象征。

The waiting area provides waiting and resting services for patients when they are admitted to the hospital for treatment. It is usually set up in the lobby or near the payment and registration area. As the first contact of patients when they are admitted to the hospital, it not only provides waiting and resting services for patients, but also serves as the "face" of the hospital and a symbol of the comprehensive strength of the hospital.

VIP 病房接待及陪护组合

三位沙发兼具接待和陪护功能，有陪护需要时可作为陪护床使用，将医院有限的空间利用发挥到极致；另搭配单人位和茶几，更加温馨，还用于 VIP 病房、月子中心等。

The three-person sofa has both reception and accompanying functions. It can be used as an accompanying bed when there is a need for accompanying, making the best use of the limited space in the hospital. It can also be matched with a single seat and a coffee table to make it more cozy, and is also used in VIP wards, confinement centers, etc.

WARD SOFA

从仅作为治疗的空间转变到关注患者心理舒适度的生活空间。缓解患者住院的压为其提供良好的生活环境，是我们考虑的理想的疗养空间。

From a space that is only used for treatment to a living space that focuses on the psychological comfort of patients. Relieving the pressure of hospitalization of patients and providing them with a good living environment is what we consider to be an ideal recuperation space.

对患者而言，护理疗养的中心就是病房。
不同于日常的生活，患者会因病情、心情、事情等因素而产生各种各样的不安和压力。打造一个既能带给患者舒适愉快的疗养生活，又能很好的关注患者精神面貌的高质量的疗愈空间。

For patients, the center of nursing care is the ward.
Unlike daily life, patients will experience various anxieties and pressures due to their condition, mood, and other factors. Create a high-quality healing space that can not only bring patients a comfortable and pleasant recuperation life, but also pay good attention to the patient's mental outlook.
